The Princess Diaries

Have you ever believed something negative about yourself that wasn't actually true?

What are some labels students often believe about themselves?

How do social media, school, or other people shape the way students see themselves?

Why do you think Mia struggled to believe she was actually royalty?

Read Psalm 139:14 and 1 Peter 2:9 together. What do these verses say about identity?

Why is it easier to stay comfortable than to step into who God created you to be?

What's the difference between changing to earn value and changing because you already have value in Christ?

What's one area where you feel God calling you to stop hiding and step into who He created you to be?
